FACE & FACE **Post Intern** THEME FOR NEXT ISSUE - MACROS ISRO's recent launch, MOM (Mars Orbiter Mission) is the first ever attempt of India for an interplanetary mission. MOM or MANGALYAAN was launched on the 5th of November into the Earth's orbit. This 300 day mission is based on the unusual "slingshot" method. The spacecraft will first orbit around earth to achieve a desired speed and then enter Mars's orbit. The orbit raising was to be carried out sequentially on 6, 7, 8, 10, 11, 12 November before giving a final rise on 1st of December to throw it in interplanetary space. PULSE... annual festival of AIIMS...every year sees an active participation of students of our college eager to compete with the medicos of the entire country. The Mangalyaan probe has a Rs. 450-crore price tag, which is less Seldom have we seen our batch mates receiving a medal, but when we do see... "That than a sixth of the amount earmarked for a Mars probe, MAVEN, guy/girl is my friend!" is what we shout with joy!!! to be launched by the NASA later this month (approx \$671 mil-Amongst great applause and cheering, I saw Amay and Shikha emerge from our group, eager to receive their medals. Amay had won gold in lawn tennis singles; while Shikha had won gold in MOM will travel a distance of about 780 million women's chess! I wondered how these two sleek looking friends of mine could have achieved this! km... Taking into consideration the total cost, I, suhan khaamr, couldn't help but ask them, on behalf of the team prashaman. Here it goes! this mission costs less then Rs 12/km. **Truly Indian!!** 1. First of all; a hearty congratulation for such a tremendous victory... How you feel about it!? Nepal – the religious land Amay banker: It is a great feeling of course!:) I've won some tournaments in the past but winning the all India medical trophy means a lot to me! I am Very happy. Shikha shah: I feel really great! Chess has always been more than a sport to me...and having an achievement This time, it took me to world's most religious country after India. Nepal. in the name of my college for the same is amazing! As many days in a year, many festivals. One can find world's highest peaks and shortest people in Nepal! Kathmandu,Patan,Chitwan,Pokhra and Lumbini are 2. Mountains of success are not climbed in a day... since when are you playing it? the cities attracting you towards the land surrounded by the tall Himalayan spikes. Started with Kathmandu, I reached the Pashupatinath temple, the holiest Amay banker: I've been playing since 8 to 9 years now! Tennis does require a lot of practice and it is the hard place for Hindus. When you have been to all of the "12 Jyotirling" ,Pashupatinath is work that has finally paid off. the requirement to complete it. World's largest Shiva temple situated on the shorn of Shikha shah: Chess has been with me since I was in std.5... river BAGHMATI, has its own majesty, where I got the chance to watch the SAND HYA AARTI seen in the picture. All among them ,the cremation ceremony fascinated the 3. This has been your passion since so long! So, what is your greatest achievement till now?! nost! Tow GHATs for cremation, different for common and royal ones!! The Boudhnath, origin of the Buddhism is enough to satisfy your spiritual part. Amay banker: Tennis has been my passion ever since I held the racquet in my hand. Being the vice caption of Gujarat PATAN city, separated from ktm by Baghmati was the capital in ancient times and representing my state in the national school games is one of my biggest achievements! :) ence contains royal civilization. The 'darbar chauk' where heads of 108 buffaloes are Shikha Shah: I've the state championship titles in women category as well as in Under-11,13,15,17,19 & 25 elivered to Maa KAALI every year at Durgashthmi!! years...but by far my greatest achievement is to achieve a position in top 10 all over India for three times in Chitwan National Park, lying national tournaments. 932 sq. km has 152 tigers accompanied inos , wild elephants and various spe-4. In your opinion, how much importance should one give to co-curricular activities in MBBS? of dears, snakes and birds. The luckione only is able to sight the king. In 2 Amay Banker: Well, MBBS is difficult. We have a lot to study and stress levels are always high. So, any co jeep safaris and 1 elephant curricular activities which relax you, and make you happy should be given importance. How much importance is an t most of them (not the tiger). entirely personal choice! "All work and no play make jack a dull boy." time preferred for canoeing Shikha Shah: MBBS is a busy, busy line! Most medicos find it difficult to find spare time! But definitely o get the desire, the Giant it's important to keep your passion alive...& pursue those extra dimensions that add zeal to your lives! Chess taught me patience, perseverance and the ability to learn from failures. So, co-curricular activities Pokhra - completely are definitely important. inded hill station gives the thrill 5. You are sure going to be an inspiration for many... Any one from your sport who inspires you? Amay Banker: My inspiration is, Roger Federer. The greatest player this game has ever seen! Shikha Shah: I've been inspired the most by my coach Nirav Rajasuba...who has been like a father to me in this mind game...which he always quotes to be the "union of art and science!"
