

Revised Corrigendum in Virtual Library E-tender

Pre-bid meeting was held on 19/07/2019 Time 11.00 at dean office, BJMC in presence of Committee members of Virtual Library Committee & Vendor/Agents/Publishers, where representatives of Vendor/Agents/Publishers presented their grievances/technical issue regarding e-tender. It has been discussed in presence of Dean, B. J. Medical College and members of Virtual Library Committee. After publishing corrigendum on 25/07/2019, issues raised against technical scoring system in **Annexure II (A)** by various vendors. Also we received request of considering vendors who offers multiple items in one platform to participate in bidding process. For same we had received instruction from Additional Director, DMER, Gandhinagar. Following changes have been suggested by committee with consent of Vendor/Agents/Publishers;

1. Only name of five different items have to be mentioned in commercial bid, names of different companies have to be removed. Sixth item will be added as "Others" in which Vendors who offers multiple products in single platform can also participate. In case vendors select "Others" they have to mention number of item they are offering among item no. 1 to 4 separately in remarks field.
2. Tender fees and EMD can be sent by Regd. Post/In-person in the form of Demand Draft along with technical bid to the Account office of the dean, B.J. Medical College, Ahmedabad.
3. In Technical document part, list of subjects has to be mentioned and bidder will enter necessary information (**Annexure-I(A)-only numeric value is allowed**) regarding number of E-Textbooks/E-Journals/E-videos/E-learning for PG NEET preparation (MCQ/PPT/Physical notes/E-lecture) available on their e-platform.
4. In technical bid, Scoring system will be based on number of E-Textbooks/E-Journals/E-videos/E-learning for PG NEET preparation available for individual subjects.
5. In Commercial bid scoring will be on the basis of price quoted by bidder. Lowest quote will get highest marks.
6. Selection of Bidder will be solely on the base of collective score in technical and commercial bid.

ANNEXURE-I(A)

Format for providing subject-wise information							
Name of Subject	Subject-wise availability of ;						
	E-textbook	E-Journals	E-Videos	E-Learning for PG NEET Preparation
